HISTORIC AMERICAN BUILDINGS SURVEY

BRICK HOUSE

HABS No. MO-1784

Location: 614 Sixth Street, Boonville, Cooper County, Missouri

HISTORICAL AND ARCHITECTURAL INFORMATION

The following information was recorded by Alexander Piaget and Charles van Ravenswaay at the time the photograph was taken:

Built ca. 1860s. One and one-half stories with rear wing. Stone foundation, brick walls. Full basement. Composition roof, originally heated by stoves. Exterior design, particularly the windows and the portico which is original, indicate a German builder. The design of the portico are [sic] particularly interesting as an interpretation of German classic design in a community which had an Anglo-American builder doing copy-book, classic-design porticoes during the same period as this house was being built.

PROJECT INFORMATION

The Piaget-van Ravenswaay Survey consists of a number of photographs, primarily of sites and structures in Missouri, which were taken before 1938 by Alexander Piaget and after that by Paul Piaget, both in conjunction with Charles van Ravenswaay. Photographs of buildings were incorporated into the HABS collection in 1985 by Laura Rupp, HABS historian. A master list is available in the ~~MO-1800~~ records for MO-1800.
